

Exhibiting is worthwhile

Get a broad overview of the entire construction-machinery industry and drive your business to success.

✓ The largest and most important industry event in Asia

bauma CHINA is the community for the Asian construction-machinery industry, the gateway for international enterprises to the Chinese market and for Chinese enterprises to the global market.

✓ Sustainable success for years

bauma CHINA is a mandatory event for your success on the Asian construction-machinery market. Demand for construction machinery, building-material machines, mining machines and construction vehicles and equipment is still growing steadily, something that has been apparent at bauma CHINA for years.

✓ Leading platform

Companies that participate in bauma CHINA secure themselves the best chances for a high return on their investment and sustainable success. It is the leading platform for tapping this important growth market.

✓ Presence of industry leaders

Market leaders, global players and decision-makers from around the world meet at bauma CHINA. That makes it the definitive forum for this industry. Take advantage of this powerful network for your business success.
