### Chinese Partners' Testimonials

#### **Jun Qi, Chairman of China Construction Machinery Association, China**

"bauma CHINA 2018 is very successful. It has made history in many aspects: the number of exhibitors, the exhibition space and the total volume of orders made on site. The construction machinery industry is performing strong. As a result, the exhibitors are more willing to exhibit. The organizers have done very efficient organization to meet the exhibitors and visitors' need. The exhibitors have especially benefited and felt the enthusiasm of users and their expectations for the future."

#### **Weidong Zhou, Vice President of China Council for the Promotion of International Trade Machinery Sub-Council, China**

"The biennial bauma CHINA has become a regular gathering of our friends from the industry, and bauma CHINA is unprecedented! With 330,000 square meters of exhibition space, 3,350 exhibitors and a good amount of visitors from China and abroad, the exhibition is a great platform for new technologies and new products Exhibitors have expressed their satisfaction with this exhibition and expectations for the next. We will see you in Shanghai in 2020!"
